PEREIRA

Pereira Group, located in Vigo (Spain), is a shipowner company with a fleet fishing for more than 65 years. The company has 20 vessels fishing mainly in the Atlantic Ocean Fishing Grounds, in countries such as Mauritania, Senegal, Namibia, Falkland Islands, and also with a collaboration in Argentina.
There are different facilities, factories and cold stores, around the world (Spain, Namibia and Senegal).

Pereira Productos del Mar is part of the Group Pereira. The company began its journey in 1987, with the aim of being the pillar of Pereira Group in production and distribution.

Nowadays, The group of companies is vertically integrated, covering all the food chain areas, from the fish, processing, marketing and distribution.
We are highly flexible and innovative. We offer solutions to make our clients more competitive.

We catch in the main fishing grounds of Atlantic Ocean
